TESTIMONIAL

Joanna

I can't begin to describe what Nina and the Cocktail Mania team did for me. They transformed my wedding evening into the most spectacular event with beautiful cocktails that were garnished to perfection. Nina worked closely with me to understand my vision/ flavour preferences / colour scheme and more. The whole team worked tirelessly all evening to ensure the service went without a hitch - and it did, even allowing customers to take 'takeaway cocktails' in different cups made our guests evening even more fun. I can't thank them or recommend them enough - I wouldn't go to anyone else now knowing this kind of service exists!

TESTIMONIAL

Our experience with Cocktail Mania has been 10/10. From amazing display of cocktails, to the personalised named cocktail drinks, to the bar tending services they provided on our wedding day. Our wedding guests had nothing but great things to say about Cocktail Mania and the cocktails were really one to remember (in strength and in style)! Cocktail Mania really over delivered. They are really about their business and I can definitely vouch for that.

Booking with Cocktail Mania was a pretty smooth sailing process from the initial booking to liaising on the finer details and personalisations. Nina and Nicolle were very responsive via email and phone and were super professional whilst friendly at the same time.

I would definitely book again! Without a shadow of a doubt!
