Electric Height Adjustable Desking

HEIGHT ADJUSTABLE DESK

Protect your greatest asset
- your health.

Reducing the amount of time we spend sitting is vital for our good health and longevity. The Infinity range of electric height adjustable desks allows users to seamlessly transition between sitting and standing to any preferred height and offers up to 4 memorized levels.

Infinity height adjustable desks will help prevent back pain and health problems that can occur from sitting for long periods of time and can enhance efficiency and focus. Studies show that using height adjustable desks can also lower feelings of stress and fatigue, while improving mood and energy levels too.

The Infinity collection of desks are ergonomically designed and available in a range of colours and sizes to perfectly suit your space. Accessories include Cable Management Tray, Laptop Stand, CPU Supports and Anti-fatigue mats.

Reducing sitting time and standing more is such an important lifestyle change that research shows will improve our health dramatically. It's recommended to work up to a 50/50 split between sitting and standing over time for optimum health benefits.

Infinity height adjustable desks offer a valuable option for people in the workplace and at home to positively impact their overall health and well-being by choosing to divide their time between sitting and standing.
