

# Alphabetics<sup>®</sup> Word List

This list of common two and three-letter words (and a few four-letter words) is a useful resource for beginners constructing their first words, or for students for whom English is a second language.

You can make thousands of English words from the Alphabetics cards. This is not a complete list – it's just to get you started.

Please note phonic words that use only the *basic letter sounds* are highlighted in **bold**.
