

Use the number lines to do the subtractions.

$800 - 200 = \square$

$87 - 6 = \square$

$90 - 40 = \square$

Fill in the gaps.

172	170	168							
152									

Subtract the coins from the notes. Write the missing numbers. Don't forget your \$ sign.

Write the answers.

$360 - 10 - 20 =$	$350 - 20 - 10 =$
$240 - 10 - 10 =$	$770 - 20 - 20 =$

Fill in the boxes.
