

BIRD'S EYE LONDON

An aerial photograph of London at sunset. The sky is a mix of orange, yellow, and blue. The River Thames flows through the center of the city. The Shard skyscraper is the most prominent feature on the right side, its glass facade reflecting the golden light of the setting sun. In the middle ground, the Tower Bridge is visible, spanning the river. The city is densely packed with buildings, and the lights of the city are beginning to glow as dusk falls.
