

# REMIX

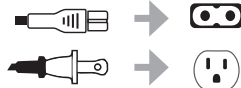

## QUICK START GUIDE

MODEL: MNREMIX

### Power

**1** Connect the speaker to an external power source using the included AC power cable.

**2** Toggle the **POWER** switch to the "ON" position.

### Bluetooth Pairing

**1** Place your music device within 3 feet of the speaker.

**2** Press the **INPUT (A or B)** button to cycle through audio sources and select Bluetooth (BT-A / BT-B).

**3** Select "MONSTER REMIX (A or B)" on your music device's Bluetooth menu to pair with the speaker.

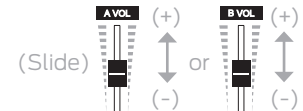

### Volume

▪ Rotate the **VOLUME/MULTI** dial to adjust the main volume level of the speaker.

▪ **INPUT (A or B)** volumes can be independently adjusted by using the corresponding volume sliders.

### Wireless Microphone

**1** Turn on the wireless mic. It will automatically connect to the **MIC2** input.

▪ Rotate the **ECHO** knob to adjust echo depth.

~30 feet max connection range after pairing. Devices out of range may suffer disruption or loss of signal.
