MONSTER® Tower of Music 2

Quick Start Guide

For complete operational guidelines, please refer to your user manual.

Basic Set up

Connect Power & Charge

1. Connect the speaker to a power source via the included AC cable.
2. While plugged into a power source, speaker will charge automatically.

**BEFORE FIRST USE: Charge for 6 hours.
While charging, the RED LED indicator wil turn ON.
When battery is low, the RED LED indicator will FLASH.**

Manual Bluetooth Pairing

1. Press and hold BLUETOOTH button on the speaker until BLUE LED indicator starts flashing.
2. Make sure Bluetooth is activated on your device and is within 3 feet of the speaker.
3. Select the device "Monster Tower".
4. When paired, the BLUE LED indicator will stop flashing and remain steady.

Wall Mount Capability

Not to scale

1. Fasten the wall mount fixture to a safe surface with the curved slot facing up.
2. Slide the speaker down onto the fixture. The leather handle fits into the large rectangular gap. The curved slot fits snugly between the speaker and the metal knob.

Use the screws and parts included with the speaker. Do not use your own parts. Do not attempt to fasten the wall mount fixture or the speaker at an angle. Do not attempt to fasten the wall mount fixture on an unsafe surface.

EZ-Play Technology

EZ-Play Multi-Speaker Connection

1. Make sure speakers are within Bluetooth pairing range (<30 ft).
2. Press the EZ-PLAY button on a speaker to set it to TRANSMIT mode (AMBER LED indicator will flash).
3. On another speaker, press and hold the EZ-PLAY button for 3 seconds to set it to RECEIVE mode (AMBER LED indicator will flash).
4. TRANSMIT-mode speaker will automatically connect with RECEIVE-mode speaker (AMBER LED indicator will stop flashing and remain on).
5. RECEIVE-mode speakers will sync and play music from TRANSMIT-mode speakers from up to 100 ft. away.
6. Repeat steps 3-5 and connect up to 8 speakers at once!

**After connection is established, speakers automatically connect whenever powered ON and in range (<100 ft.).
When a speaker is set to RECEIVE, AUX input and Bluetooth features are disabled.
If a speaker is changed from its current mode (i.e., TRANSMIT to RECEIVE), it will have to be reconnected within Bluetooth pairing range (<30 ft).**

EZ► EZ»PL►Y

EZ-Play allows you to easily connect up to 8 speakers wirelessly and broadcast your favorite music to all speakers simultaneously to create an Audio Surround *Experience indoors or outdoors.
EZ-Play technology also available on Monster BTW248XBK
