

For your safety, please read carefully before use

Warnings

Never use on sandy, wet or other slippery surfaces. As with any mobility device please contact a physician before use. Do not use if you are over 180lbs. Please note product may specify a greater weight limit. Please follow amount specified on product. Use only on hard stable and level surfaces. Failure to do so may cause you to fall, which may result in an injury. Always inspect your seat stick for damage before each use. Do not use if damaged.

Instructions for Tri-pod Seat Canes

Stand with your feet shoulder width apart and *and always have handle in front of you between your legs.*

Slowly sit down on the seat. When used properly, your legs and the seat cane should resemble the photo to the right.
