(Fusion Model Only)**

Freedom® Elbow Design

8" Over-The-Hand Wristlets

3" Contoured Comfort Collar

Lite-N Dri Cushioning

All LIONExpress™ Turnout Gear Features:

- Freedom® elbow and underarm bellows design promotes natural flexing motion and optimum mobility
- LION's Exclusive Semper Dri system reduces water absorption in water wells, yoke, and bottom of legs to lighten working weight
- LION's patented ventilated trim helps guard against the potential hazards of trapped moisture
- 3" contoured comfort collar is ergonomically shaped for comfort, proper interface with other PPE and continuous protection
- Ever-Dry Reach System with 8" over-the-hand wristlets helps reduce vulnerability to water, steam and flame
- Thermoplastic zipper with hook and loop stormflap and storm fly closures
- Low-rise waist complements the natural contours of the body for increased comfort
- Reinforced knees with Lite-N-Dri™ cushioning enhance comfort and thermal protection
- Adjustable take-up straps on pants for custom fit

GOLD ARMOR AP™ LIONExpress

This LIONExpress turnout coat and pant features the Isodri Moisture Management system to keep you drier, safer, and more comfortable. In addition, the coat has a bi-swing back, underarm bellows and Freedom elbow for outstanding comfort and mobility. The low-rise pant offers a radial inseam and reinforced Freedom knee design with Lite-n-Dri cushioning for superior comfort, mobility, and protection.

- LION's patented Isodri moisture management system helps reduce working weight while keeping you drier, safer, and more comfortable than conventional turnout gear
- Bi-Swing back enhances forward mobility
- Freedom knee and radial inseam promote mobility and comfort
- 8"x8"x2" Semi-Bellows pocket lined with Kevlar twill on each side of the coat bottom
- 3.5"x9"x2" Radio Pocket lined with polycotton on the left chest
- 8"x8"x2" full-bellows pocket lined with Kevlar twill on each thigh

KHAKI ARMOR AP™

This LIONExpress turnout coat features a Freedom elbow and underarm bellows designed to enhance mobility and comfort. The low-rise pant offers a contoured shape with knee reinforcements and Lite-n-Dri cushioning for superior comfort, fit, and protection.

- 9"x9"x2" Semi-bellows/hand warmer combination pockets lined with Semper Dri and featuring a pull tab for easy access on each side of the coat bottom
- 3.5"x9"x2" Radio Pocket lined with polycotton on the left chest
- 10"x10"x2" full-bellows pocket lined with Kevlar twill on each thigh
