Tuff Spun Deck Matting

Heavy Duty Anti-Fatigue Matting Solution

Tuff Spun Dec has a heavy duty deck-top surface with impact absorbing base foam. Tuff Spun Deck has a wear foam layer for comfort with a checker plate embossed vinyl for added traction, abrasion and puncture resistance. It is ideal for medium use in dry commercial and workplace environments where standing is part of the work function.

Main Benefits

- Fatigue reducing
- Improved abrasion resistance
- Slip resistant
- Puncture resistant
- Silicone free
- All rubber roll construction
- Loose lay yet stable underfoot
- Noise reduction

Tuff Spun Deck matting is available in modules 60cmx91cm, 91cmx150cm or 91cmx300cm. It is also available in a roll 18mtrs x 91cm. Tuff spun Deck is available in the standard colour of black.
