

Care & Maintenance

Our aluminum railing and privacy screens require minimal cleaning and maintenance. We recommend semi-annual cleanings with a mild non-abrasive soap, warm water and soft cloth to remove any minor seasonal debris build up.

- Always rinse thoroughly with warm water after each cleaning.
- Ensure tree sap, bugs, seeds, animal droppings, concrete, paint, splatter, etc., are removed immediately and the affected area cleaned thoroughly to prevent damage to the paint surface.
- For coastal areas within 2 miles of saltwater source, we recommend quarterly cleanings to help maximize the lifespan and quality of the paint finish.
- **WARNING:** Do not use steel wool, solvents, abrasive cleaners or acid solutions.

Limited Lifetime Warranty by Axxent

Axxent warrants its aluminum railing and privacy screens to be free from manufacturing defects to the original purchaser for a limited lifetime period. In addition, this limited warranty covers the factory paint finish against cracking, peeling or blistering under conditions of normal use for the life of the product. This warranty does not cover damage due to improper use, improper installation, alterations, welding, neglect, abuse, vandalism, chemical reactions, building settlement, normal weathering, fading, chalking, scratching caused by corrosive atmospheric contaminants (e.g., pollution), or damage caused by natural events or acts of God.

For product installations within 1 mile or less from the coastline or saltwater environment, the paint finish warranty is limited to 5 years from the original date of purchase. Product installations with direct contact with saltwater are excluded from this warranty.

Residential Conditions & Exclusions
