P303 and P304 cup can use optional divider as shown above.

Models #DIV303 and #DIV304

Clear Tip Out Bin Frames

Frames are manufactured with preset parallel distance allowing Tip Out Bins to be stacked and removed easily and efficiently. All frames have a ledge at the bottom allowing Tip Out Bins to be secured above ground level. Each Tip Out Bin needs 2 disks and 2 screws (QDS300) in order to affix to all rails and frames. (Bins are sold separately)
