# SEN-15 PORTABLE PUMP

## LOW MAINTENANCE PUMPS

The INOXPA HYGINOX SEN-15 pump is perfect for new microbreweries. A sanitary centrifugal pump, the Hyginox series comes with a long lasting internal mechanical seal to help reduce product build-up and leaking and improve reliability. It's a pump that just keeps going without hassle - exactly what you need when running a brewery.

## FEATURES

- 1 1/2" X 1 1/2" Tri-clamp connections
- All stainless steel construction
- 25 ft cord with an 115-volt plug or with a standard NEMA locking plug
- Stainless steel cart
- NEMA 4X digital VFD
- Internal mechanical seal

## DESIGN

- Nominal pressure: 40 PSI
- Maximum flow: 75 US GPM
- Maximum speed: 3500 rpm
