It's easterly facing, so catches the morning rays, and is irrigated by the Lake. Planted in 1996 on loamy soils and owned and operated by Peter Raeburn, th distinctive site produces Shiraz and Cabernet Sauvignon with crisp acidity every year. Being in the southern pocket of the Heathcote GI, the vineyard is slower ripening, allowing the berries to develop floral and fruit notes.	The Wine	Heathcote is a region renowned for its big, bulbous Shiraz. It can punch you in the face and warm your heart in the winter. And there's nothing better than a glass of Heathcote Shiraz curled up in front of the fire on a chilly winter's day.
