

Gia Pendants

The Gia Lighting Collection consists of hand blown glass adorned with hand built porcelain plants. The glass pieces are offered in three forms: globe, lantern or bell. Cast from succulents, four unique plant varieties are paired with each glass model and composed to complement the character of each form.

Materials

Hand blown glass: ivory, amethyst, fuchsia, pink, grey, black, yellow or topaz.

Ornament: glazed porcelain - white, black, gold, silver.

Hardware: brushed Brass or polished Nickel.

Custom glass colors available, please contact the studio for further information.
