

Paravan Folding Screen

This large-scale gilded folding screen is a modern interpretation of a traditional interior design element. Paravan is composed of six lacquered panels sequenced in ombre from cream through grey and into black. Each panel is meticulously gilded by hand with 24K Gold leafing and stands on custom made brass feet.

Materials

Gilding: options include 24K gold, Rose Gold and White Gold.

Panels: shown in images above are cream, gray, and black high gloss lacquer with 24K gilding on solid brass feet.

Dimensions:

Each panel is 20" wide and 98" tall. Two sets of three panels form the screen – as shown above the six panelled screen measures 6-7 feet wide.
