INTRODUCTION

Select is celebrating 2019 as it marks the 30th anniversary of Select's entry into the Australian sports card market. We released our first AFL sticker collection in 1990, followed by our first card release in 1993.

To celebrate this 30th anniversary, we have produced our most ambitious and prestigious collection to date – Supremacy. This set has taken almost 2 years to produce and features some 125 past and present players that have autographed cards for this collection.

I would like to take this opportunity to thank you for your loyalty and support over the past 30 years. You have been instrumental in making Select the number 1 sports collector card company in Australia.

We look forward to bringing you more new and exciting releases in the coming years.

Thank you!

A handwritten signature in black ink, appearing to read 'Grant Copley', is positioned above the printed name.
