

## **MeatCrafters' Protein Suppliers' Animal Welfare Policies and Practices Sustainable and Humanely Raised**

Our **Duroc pork** supplier, Vande Rose Farms, has passed a third-party audit conducted by Silliker Labs that certified they passed Silliker's GMP and Animal Welfare standards.

**Wayne Farms chicken** is GAP rated, as are all the facilities they use up and down the chain. <https://waynefarms.com/chicken-journey/animal-welfare>

**Bell & Evans chicken** has a robust animal welfare program, and the details can be found here: <https://www.bellandevans.com/wp-content/uploads/Humane-Animal-Welfare-Scorecard.pdf>

**Thomas Foods**, where we source our **lamb**, is certified for animal welfare by the Australian DAWR, and information about their accreditations can be found here: <https://thomasfoods.com/accreditation/>

**Creekstone Farms**, where we source all our **beef**, is certified humane, and the details can be found here: <https://www.creekstonefarms.com/pages/certified-humane>

Finally, **Hudson Valley Foie Gras**- from whom we source our **duck**, indicates on their website that the animal welfare practices they follow are top notch, and they describe their practices in detail in a video on their website.
