

Your Skin's No. 1 Guardian Angel

MIRACLE SECRET OLIGOPEPTIDE SERUM

For all skin types, including sensitive skin

THE SIMPLER THE SKINCARE, THE BETTER THE RESULTS

At Ice's Secret, our ingredients, including oligopeptides, target a balanced pH, regulate hydration and sebum production & increase metabolism for healthier skin that self-repairs and unclogs itself. Our simple regimes work synergistically to deliver visible results in just 7 days—and maintain them.

No Silicones

No Synthetic
Fragrances

Safe for Pregnancy

KEY INGREDIENTS

Oligopeptide-1

Repairs damaged skin & collagen fibers, promotes cell growth & activity

Avena Sativa extract

Anti-inflammatory & relieves skin,
improves skin barrier to be more
resistant to triggers

Sodium Hyaluronate

Hydration & Improving moisture
binding abilities

NO MOISTURISER!

One product Ice's Secret doesn't have is moisturiser. Most leave the skin oily and sticky, clog pores and cause breakouts. Our serums are all the moisturiser one needs. They hydrate, regulate cell turnover and collagen production, and repair UV damage. They

OUR VALUES & PRINCIPLES

Our Research & Development team studies the skin conditions of South-east Asians and South Asians. We're serious about product safety and have very high standards. Our skincare is formulated for Singapore and other Asian weather, and our regimes are appropriate for clinical skin management as they safely stabilise skin without any downtime.
