A curvy chair and miniature sofa collection to curl up in. Available with hand tufted buttons or without and choose from a variety of soft velvets, flocked textures and smooth, buttery leathers.

Sofas are hand crafted and made to order from the finest materials, sourced from around the world. Our leathers are natural, have character and age beautifully. All our wood comes from sustainable forests and our shapely legs are hand turned and polished to perfection. Fillings are super soft, mixing feather, foam and fibre. We test to the highest British standards, (including our own A&J bottom test!)

Insanely comfortable sofas. Unwind - British style...
