***PLEASE READ AND INITIAL EACH ITEM

Initials ____ The Pampered Pet Hotel & Spa reserves the right to immediately change your dog's type of boarding/daycare if we believe it is necessary to protect the health and well-being of your dog, other dogs, or our staff. We will do our best to contact you, provided we are given accurate contact info, should this become necessary.

Initials ____ Dogs handle stress differently than their human counterparts. It is with this in mind that The Pampered Pet Hotel & Spa requires all guests to be enrolled in a first day activity to help acclimate them to the environment. Additionally, we will require that all dogs be signed up for an activity at least once every three days during a boarding stay. Walks are included in the boarding price but it is crucial that dogs get out for other activities during their stay.

Initials ____ Check-out time for boarders is noon on weekdays and Saturdays. Dogs leaving after this time will be charged a late pick-up fee of \$20 **UNLESS** they are signed up for a groom and/or boarding activity. All charges must be paid in full upon pick-up of your dog.

Initials ____ The brand of dog food we use is Diamond Blue BEEF. If you are feeding your dog any other type of food, we strongly recommend you to bring it with you. Changing dog food may cause severe upset stomach and/or diarrhea. We do charge per feeding to use our food. Also, we do NOT serve raw food, raw hides or bones in our facility.

Initials ____ Owners are welcome to bring their own blankets or toys if desired, however we cannot guarantee that they will be returned in the same condition or at all. We provide bedding, therefore we ask that you please leave those at home unless you feel it is critical to your dog's stay. As stated above, we can't guarantee that any item goes home in the same condition or at all.

Initials ____ All dogs must be healthy, and current on all vaccinations. You will be required to bring a copy of your dog's updated vaccination records from your vet before you start daycare or board with us to ensure your dog's safety as well as that of our other guests. In specific, the Bordatella vaccine must have been given at least 10 days prior to any boarding/daycare stay with us if it is done via needle. If it was done thru the nose, 3 days must be given.

Initials ____ Dogs with flea or tick problems will be bathed at the owner's expense. If, during a stay, it becomes necessary to bathe your dog, The Pampered Pet Hotel & Spa will do so, at the owners expense.

Initials ____ If dog becomes ill or if state of the animal's health otherwise requires professional attention, The Pampered Pet Hotel & Spa, in it's sole discretion, may engage the services of a local veterinarian or provide appropriate medical attention to the animal and any and all expenses thereof shall be paid by the owner.

Initials ____ Owner is aware that by leaving pet at The Pampered Pet Hotel & Spa, or any other pet facility, they are at a higher risk of contracting canine cough (kennel cough), viruses, or acquiring nicks, cuts and possibly punctures from interacting with other dogs. Canine cough (kennel cough) is similar to the flu in humans and, while all dogs in our care are vaccinated, no vaccination is 100% effective. We maintain a very high level of cleanliness but interaction with other dogs carries with it inherent risks.

Initials ____ I understand that I am solely responsible for any harm or damage caused by my dog(s) to persons or property of the Owners, employees and invitees of The Pampered Pet Hotel & Spa, or any other pets housed or visiting The Pampered Pet Hotel & Spa while my dog(s) is/are attending The Pampered Pet Hotel & Spa.

You release, indemnify, and agree to hold The Pampered Pet Hotel & Spa harmless from any and all manner of damages, claims, loss, liabilities, costs or expenses, causes of actions or suits, whatsoever in law or equity, (including, without limitation, attorney's fees and related costs) arising out of or related to the services provided by The Pampered Pet Hotel & Spa. Owner acknowledges and understands that there are certain risks involved in pet ownership, training, and care, including, but not limited to, dog fights, dog bites to humans and/or other pets and the transmission of disease. With Owner's Signature below, he/she understands the risk involved in putting his/her pet in a cage-free environment and acknowledge and accept exclusive and sole responsibility for all medical expenses to said pet no matter the cause. Owner also authorizes the release of said pet's medical records from pet's veterinarian.

By signing this contract and leaving pet with The Pampered Pet Hotel & Spa, owner certifies to the accuracy of all information given about the pet. Furthermore, owner has read and understands all procedures and policies included herein.

DAYCAMP SCREENING

For all our first time dogs **who would like to attend our Daycare** Please SCHEDULE your dog's Temperament Test (we cannot accommodate walk-ins for this process).

The first phase of this Enrollment Evaluation usually takes about 15-20 minutes as we are simply getting to know your dog and introduce them to a few playful members of our daycare.

The next step is to leave your dog with us for at least 3 hours (same day as their evaluation) so we can really get a feel for their personality, and we can thoughtfully determine whether or not they are a good fit for our doggy daycare.

WE DO NOT ACCEPT UNNEUTERED DOGS OVER THE AGE OF 6 MONTHS FOR DAYCARE.

Puppies under the age of 6 months are accepted in DAYCAMP provided they pass the evaluation but will be reevaluated as they grow to continuously evaluate their suitability in the group. Keep in mind, dogs may pass their evaluation but can always be reevaluated or deemed unfit to come back to daycare at any time and is at the discretion of the Pampered Pet Hotel & Spa.

RESTRICTED BREEDS FOR DAYCARE

UNFORTUNATLY WE DO NOT ACCEPT, UNDER ANY CIRCUMSTANCES, MALE PIT BULLS OR PITT MIXES, CANE CORSO'S, BULL MASTIFF'S, AMERICAN BULLDOGS, CHOW, PRESA CANERIO AND AKITA'S INTO DAYCARE. WHILE WE LOVE ALL DOGS, WE CHOOSE NOT TO INTRODUCE DOGS THAT WE FEEL MIGHT NOT BE BEST SUITED FOR GROUP INTERACTION AND PLAY. FOR THESE DOGS, WE WILL HAPPILY BOARD THEM AS LONG AS THEY ARE FRIENDLY WITH HUMANS.
