printable ring sizer

www.shopwrenn.com

the cut-out test

- print and carefully cut out the ring sizer below
- cut slit at the marked line
- slip pointed end in slit
- pull the pointed end to a comfortable fit
- determine your ring size
- double check for accuracy

sizing tips

- measure your finger at the beginning of the day for accurate sizing.
- our wire wrapped rings tend to fit half a size larger because they are not a perfect circle due to the nature of the design

the circle test

- measure your existing ring on a circle in the chart to the right
- the correct circle size should fit right against the inside edge of the ring

2 INCHES WIDE

THE BOX ABOVE SHOULD MEASURE 2" TO ENSURE ACCURACY
