

DOIN' THE MOST, FROM COAST TO COAST

# DOIN' IT WELD

Workin' to build a culture of creativity with brands and buddies all over the world.

## ORIGINAL SUPPLY

Created with a nostalgic spirit, our blank hats are crafted from high quality fabrics in a wide variety of unique colorways and designs, including our signature laid-back hat, the Field Trip™.

We also offer vintage-inspired crew socks available in a range of colorways. They're made with an ultra-soft cotton blend and half terry foot for cushion.

All of our goods are made for any day and everyday use: when you're doin' the most and especially when you're not.

## KEEP IT CUSTOM

We're making it easy for brands and buddies to get creative and customize our blank hats with embroidery or patchwork. Our minimums start at 75 pcs per design and we have a two week turnaround for embroidery.

Interested in crafting the perfect pair of socks from scratch? We can do that, too. Custom socks with your branding start at just 100 pairs.
