Installation:

1. Chose a location to place the banners on the front windshield area of the cart.
2. Loop supplied zip ties through top two grommet holes on cart banners.
3. Simultaneously tighten zip ties on each side around cart windshield bar until a 1/2 inch gap exists.
4. Repeat steps 2 & 3 for bottom two grommet holes.

Storage and Care:

- To clean simply use Windex or similar cleaning product.
- Store on a flat surface.
- Do not create hard creases in banners.
- Keep away from sharp objects.

Sincerely,

Matt Pollitt
