Bosun's Chair Technical Data Sheet

BOSUN'S CHAIR

The Bosun's chair is ideal when used for maintenance, window cleaning, confined space intervention or other suspension work applications. Due to the comfort and support offered by this seat a user can work more efficiently for longer periods of time without tiring or suffering negative effects of suspension in a harness alone. It is important that the user still wears a harness connected directly to PPE equipment.

product features

- ▶ Stainless steel spreader bar
- ▶ High visibility yellow PVC material
- ▶ Pocket on side for tools etc.
- ▶ Height 1200mm
- ▶ Width 450mm
- ▶ Length 400mm
- ▶ Net weight 4.3 kilos

Must be used in conjunction with a fall arrest system.
