

# TECHNICAL DATA SHEET WORK POSITIONING BELT

TDS170

WB Technical Data Sheet

## Checkmate Work Positioning Belt

Checkmate's Work Positioning Belt is taken from our breakthrough range of full body harnesses incorporating all of the cutting edge features of their innovative design and providing safe attachment when working at height. When designing the Pro Body Harness (PBH) range, Checkmate's development team tested all elements separately to create a modular range of harnesses and work positioning belts.

### product features

- ▶ Thermoform technology increases comfort and fit of the belt
- ▶ Water and UV resistant polyester webbing
- ▶ Optional fixed or floating, work positioning side D's and/or rear D
- ▶ Contrast stitching

### principal materials

- ▶ Polyester webbing
- ▶ Carbon steel black powder coated fittings  
(Stainless steel or alloy fittings available upon request)

### standards

- ▶ EN 358
- ▶ AS/NZS 1891

## ordering information
