Get started

Computer

Take the earbuds out of the charging case and plug the Bluetooth adapter into your computer to connect.

- 1 Install Jabra Direct.

Smartphone

Hold (3 secs) the button on the right earbud to power off.

Hold the same button until the LED flashes blue. Follow the voice instructions to connect.

How to fit

Insert

the earbud into your ear.

Rotate

the earbud to fit snug inside your ear canal. The microphone should point towards your mouth.

How to use

iPhone is trademark of Apple Inc., registered in the U.S. and other countries.

“Made for iPhone” mean that an electronic accessory has been designed to connect specifically to iPhone and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPhone may affect wireless performance.

Bluetooth technology works with iPhone 8, iPhone 8 Plus, iPhone 7, iPhone 7 Plus, iPhone 6, iPhone 6 Plus and iPhone 5S.
