Connect to power

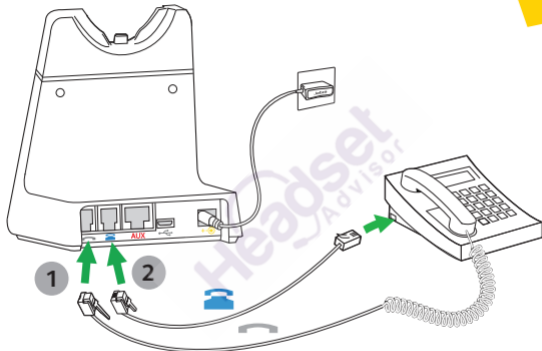

Plug the base into a power supply, and then follow the voice-guided menu to get connected.

The voice-guided menu will help you connect to your computer or desk phone. For desk phones, connect all cables before following the voice guidance (refer to the following pages).

Desk phone cables

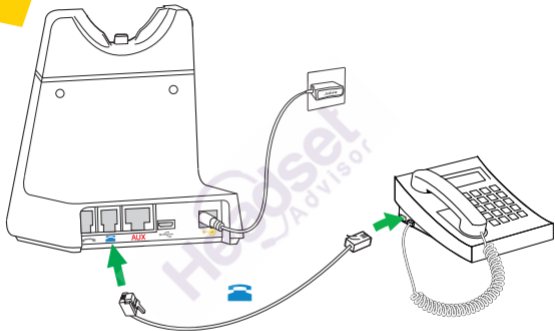

OR

Desk phone without headset port

Connect the cables (as illustrated), and then follow the voice-guided menu to complete desk phone setup.

OR

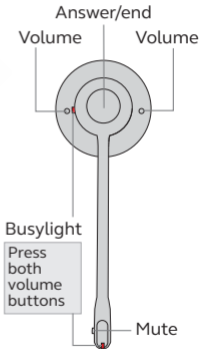

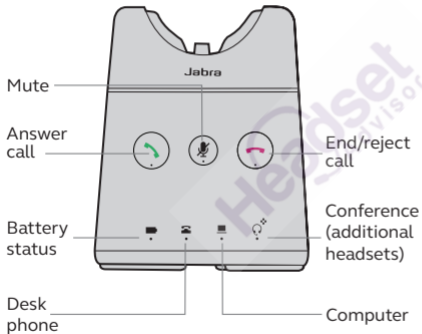

Desk phone with headset port

Connect the cables (as illustrated), and then follow the voice-guided menu to complete desk phone setup.
