DIGITAL AND USB CORDED CONTACT CENTER HEADSETS

BENEFITS

- Create clear, private conversations with a unique curved, telescoping microphone and pivoting boom and voice-optimized frequency response
- Adjust the acoustic perspective of every call for more natural-sounding conversation with the adjustable sidetone (USB only)
- Supports SoundGuard Digital advanced acoustic protection – (Anti-startle, G616 and TWA)
- Provide workers with the strength and durability of a reinforced, lightweight headband based on Poly contact center grade design

ENCOREPRO 700 SERIES

A high-performing headset sets up a great contact center experience. EncorePro 700 Series features excellent noise canceling for accurate voice interactions and fewer repeats—and helps keep customers happy. The adjustable microphone with its pivoting boom can be positioned in just the right place for transmitting super-clear calls. So customers catch every word—and you catch theirs. Each headset is rigorously tested in our own manufacturing facility—so we didn't miss a thing. Award-winning design? Check. Superior audio quality? Check. Premium look and feel? Check. The EncorePro 700 Series is highly reliable in the most intensive environments—it's built to last.

- Adjustable sidetone (USB only)
- HiFi stereo for media playback (USB only)
- Reinforced, lightweight headband
- Quick Disconnect (QD) tested to over 30,000 cycles
- Inline call control for easy volume adjustment and muting (USB only)
