

# SeaDek®

## MARINE PRODUCTS

### ALL HANDS ON DECK FOR DIY SEADEK

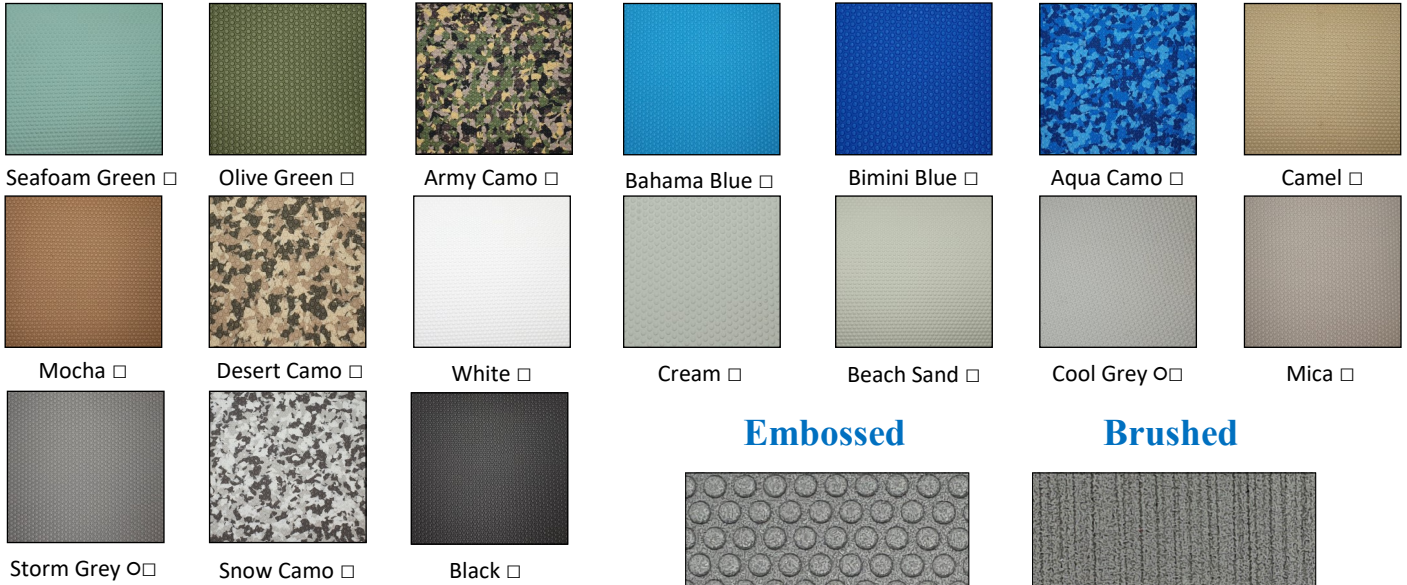

SeaDek Non-Skid products offer a safe and comfortable alternative to carpet, moulded-in non-skid textures, and other marine traction products. Made of Closed Cell PE/EVA blend, SeaDek is perfectly designed for the marine environment as this structure means that SeaDek will not absorb water. This foam construction also allows for easy cutting with a sharp razor blade perfect for DIY installations.

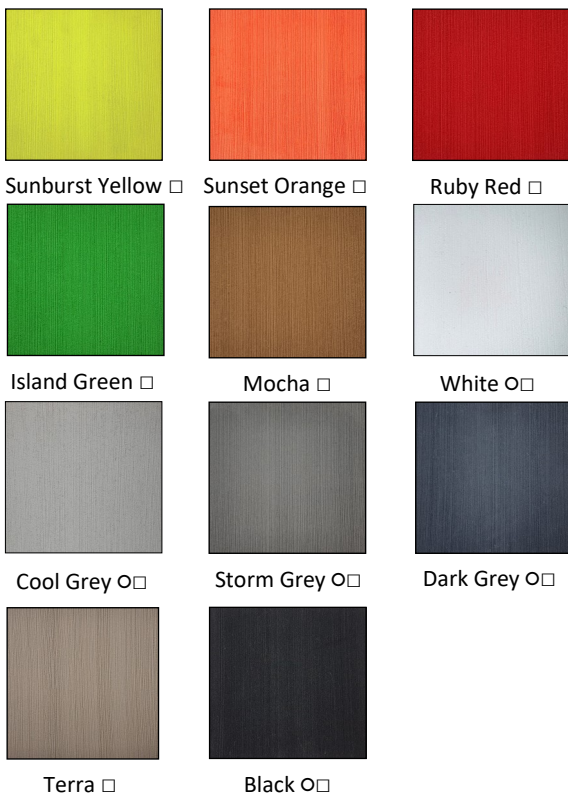

### BENEFITS OF SEADEK

- ◆ Exceptional traction when wet or dry
- ◆ Unparalleled comfort underfoot and cool underfoot
- ◆ Shock absorbent
- ◆ Protections against scratches, chips & dents on your boat
- ◆ Highly stain resistant
- ◆ Easily cut by hand with sharp blade
- ◆ Self adhesive backing for easy installation
- ◆ Increases the value of your boat
