

Capability Statement

1800ceiling.com

1800ceiling.com provides specialty products primarily found on or in ceilings including HVAC products and accessories, such as plastic noncorrosive 2'x2' Air Diffusers and 2'x2' Air Returns, Plastic Perforated Tiles, and Egg Crate Louvers for venting. One of our most unique products is a Filtered Air System for 2'x2' vents. We also provide lighting products such as hard to find light lens replacement covers, wrap-around replacement lenses, T8 tube guards in clear and specialty color, and Goof Rings to help hide gaps around newly installed lighting fixtures. In addition, 1800ceiling.com provides full service acrylic laser cutting.
