

UPS® 2020 Additional and Value Added Charges

During the past year, we've introduced new product and service offerings such as [UPS My Choice® for business](#) and investments in technology have been a priority to improve your shipping processes and visibility so you can better service your customers. We also recognize the importance of planning ahead for both you and your customers. Below is a summary of changes for select additional and value added charges, that may apply, effective December 29, 2019.
