

# Agitators & Mixers

## Techline Mixers

The TechLine economy mixers are for the professional wanting a good mixer at a great price. All of these units have stainless steel shafts. The 54-400, 54-410 and 54-450 units have plastic blades, all other models have stainless steel blades. The air motors are piston type motors for longer life.

**55 Gallon Drum Agitator with SS cover**
