Versatile material handling cart is designed to handle multiple parts as you move through the shop or production. Move up to 2,000 lbs of material at a time.

FEATURES AND BENEFITS

- Powder coated steel base with MDF decking and heavy-duty 6" castors for maneuverability
- Dividers can be installed along the width or length of the cart to provide maximum flexibility
- Remove all the dividers and it becomes a lumber cart
- The narrow, 22" width works well in congested aisles
- Weight capacity is 2,000 lbs.

MATERIALS/DESCRIPTION

- Powder coated steel base with MDF decking
- Heavy duty 6" castors
- Available to purchase in a Single or 4-pack
