

## **President Role**

- Communicate with the AFL and ensure this communication is passed onto the executive team in a timely manner. First point of contact.
- Communication with local government and council – ensuring all communication is passed through the correct channels.
- Liaising with current sponsors and award providers and ensure thanks and appreciation is noted and provided.
- Lead by example and support where available on game day set up and clean up. To provide a positive representation of the club to the AFL and wider community.
- Work in collaboration with the executive team to build communication and partnership with local schools, kindergartens and other services to raise profile of the club.
- Oversee and engage with executive team, committee members to ensure they are fully supported in their role and support where indicated.
- Attend presidential meetings as required by the AFL.
