## NEW Pomolo Concrete Collection

More and more concrete is coming indoors, from polished concrete floors to concrete benchtops. Why not join the trend with these striking concrete cabinet knobs?

Introducing the Pomolo Concrete Collection, handmade in Greece. A beautiful finishing touch to any contemporary or industrial style cabinetry. Alternatively the Pomolo Knob can be used as a unique coat/robe/accessories hanger.

For more information visit [www.touchhandles.com.au](http://www.touchhandles.com.au).
