NEW Hesket Peak Handles

Revived from miss-matched timber off cuts from Acoustic Batterns for feature walls, Our newest addition to the TouchMade collection, The 'Hesket Peak' Handle! - Named after its place of origin on the northern side of the Mount Macedon Ranges.

Adding timber to a space is a great way to add a touch of warmth or homeliness, especially in a space with a lot of hard surfaces or white, Timber handles can make all the difference.
