

NUMBERS AND LETTERS : AVERAGE VIEWING DISTANCES

Legibility varies by font, character count, and installation location and surface color. Choose a finish that creates high contrast against the installation surface for maximum legibility.

	size / height in inches	example	avg. viewing distance <small>*varies by finish</small>
small	4"	9870	50' or less
medium	6"	9870	100' or less
	8"	9870	150' or less
large	12"	9870	200" or less
	15"	9870	300' or less
