

GIN 90 SERIES

FREESTANDING FIRE TABLE

Elegance, function and carefully conceived features combine to create a stunning focal point in the multi-functional Gin 90 Series of fire pit tables. Perfect for entertaining – whether in the home, hospitality or commercial setting – simply choose your preferred height (Low, Chat, Dining or Bar) and finish (Teak or Fluid Concrete) to complement your space and lifestyle and enjoy!

Finish

Available in a variety of Fluid concrete colours or Natural Teak finish.

Concrete Surround Options

Teak Surround Option

Global Compliance

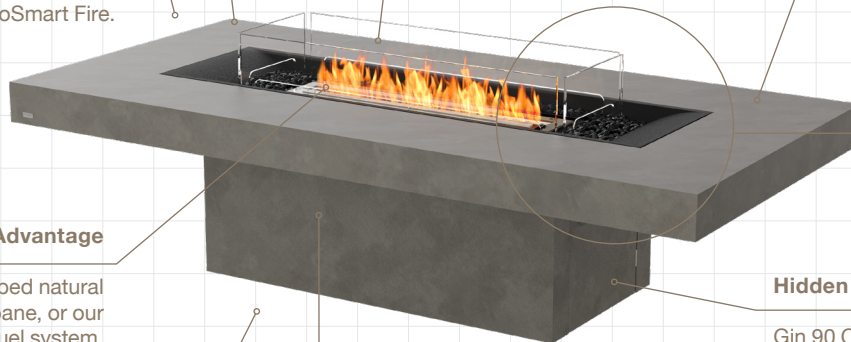

LP/NG Burners are UL/ULC Listed. Bioethanol Burner is UL Listed, and ACCC Safety Mandate compliant.

Relocate with ease

When you select Bioethanol or Liquid Propane as your fuel source you'll never be tied down! With zero hard utility connections, relocating your fire is a breeze. Entertain on your own terms with EcoSmart Fire.

Functional Table Space

Tables feature space for accommodating food and drinkware.

Burner Colors

Bioethanol models are available with a Stainless Steel or Black Burner.

Triple Fuel Advantage

Choose between plumbed natural gas, readily available propane, or our eco-friendly bioethanol fuel system. We make it easy for you to achieve exactly what you want, for exactly where you want it.

Hidden Gas Bottle

Gin 90 Chat, Dining and Bar models include a door to access the interior of the base compartment which is designed for convenient storage of the gas bottle.

Versatile and Incredibly Durable

EcoSmart portable fireplaces are versatile, incredibly durable, and are constructed of weather resistant materials. These appliances are designed to look great for years, and will perform admirably through all four seasons.

Included Accessories

Optional Accessory
