YOUR BUSINESS CAN MAKE A DIFFERENCE.
WE MAKE IT SIMPLE FOR YOU TO PLANT TREES AROUND THE WORLD.

One Tree Planted works with businesses to help them with their CSR initiatives. By being flexible and understanding their needs, One Tree Planted finds the right way for any business to give back.

Whether it's organizing employee events or donating to one of our amazing planting projects around the world, our business partners are already making an impact.

**DISASTER RELIEF**

In the wake of the 2018 California wildfires, Lyft donated over $100,000, and we partnered with Cal Fire in Paradise, CA and other parts of the state to plant trees.

**RECURRING DONATIONS**

House of Marley donates a set amount each quarter. To date they have planted more than 160,000 trees!

**SOCIAL MEDIA CAMPAIGN**

For International Yoga Day adidas planted a tree for every post with #adidastreefortree and in one day raised enough to plant over 15,000 trees!

**TEXT-TO-GIVE**

Noble Oak has set up a text-to-give campaign. Their clients and community can text to support their reforestation campaign right from their mobile phones.
ONE TIME SPONSORSHIP
Our Planet sponsored all of our Earth Month events in more than 55 cities and supported 4,000 volunteers planting over 15,000 trees around the world.

MATCHING CAMPAIGN
A+E raised over $3,600 with an employee fundraiser for California wildfires, bringing the matching total to more than 7,000 trees!

EMPLOYEE ENGAGEMENT
Every year L’Oreal Canada gets their employees out of the office and their hands in the dirt at a tree planting event.
