POWER

PRODUCT CATALOG

Simple. Affordable. Innovative.

Lighting solutions for any home or office.

Cover plates reinvented

SnapPower offers simple and convenient night-lighting solutions for any room in your home. Our innovative design allows for quick and easy installation, and leaves outlets available for use at all times. The no-battery and no-wiring lighting solutions are designed to simply snap on to existing outlets and light switches and look like standard cover plates.

Installs in seconds

30 Day Returns / 1 Year Warranty
