

Small Shipments: The UPS or postal charge depends on shipment weight, size and destination. Most small orders ship for less than \$20; call for a quote. U.S. customers pay no tax. There are no brokerage fees on orders under \$200. Collect shipments are subject to a \$3 - \$10 handling charge per package.

Large Shipments: Deliveries throughout the GTA are made by Jet Transportation every week. Hamilton (the owner/driver) will be happy to place your order where you like if you provide help. Shipments in Zone 3 will usually be made by the most economical commercial carrier; contact us for a S&H quotation.

PSH Truck Delivery Rates

Minimum delivery charge: 10 pieces*

Rate per piece

Zone 1: \$7.50

Zone 2: \$10.00

Zone 3: Call for quotation

To calculate a delivery charge, multiply the rate for your area by the number of pieces* ordered. Then, deduct a percentage equivalent to the number of boxes or bags ordered. For example, if you want 17 boxes of clay delivered to Guelph, the charge would be $17 \times \$10 = \170 , less 17% for a total of \$141.10. The maximum deduction, 52%, is applied to the delivery charge on orders of 52 or more pieces. A delivery of fewer than 10 pieces is charged as if it were a 10-piece delivery. For a quote on equipment, call 1-800-465-8544 or email: mail@psh.ca

* Piece: box of clay, original bag of dry materials, potter's wheel. Other supplies, excluding equipment, ship freight-free.

PSH ships by commercial carrier to destinations throughout Canada and the United States. Contact us for a S&H quotation. Note: Collect shipments are subject to a \$10 per pallet/crate handling charge.
