| 2. Hazard(s) identification | | |
| Classification of the substance | or mixture | |
| Physical hazards | Not Classified | |
| Health hazards | Not Classified | |
| Environmental hazards | Not Classified | |
| Label elements | | |
| Hazard statements | NC Not Classified | |
| Other hazards | | |
| none present. | | |
| 3. Composition/information on | ingredients | |
| Mixtures | | |
| Composition comments | Only ingredients listed above are notifiable for this product. If none are shown then all ingredients are exempt. | |
| 4. First-aid measures | | |
| Description of first aid measure | | |
| Inhalation | Unlikely route of exposure as the product does not contain volatile substances. | |
| Ingestion | Do not induce vomiting. Rinse mouth thoroughly with water. Give a few small glasses of water or milk to drink. Get medical attention if any discomfort continues. | |
| Skin Contact | Wash skin thoroughly with soap and water. | |
| Eye contact | Rinse with water. | |
| Most important symptoms and effects, both acute and delayed | | |
| Inhalation | Read Section 2 for any specific precautions associated with this product. In general, breathing any type of dust/mist can and may aggravate irritation of the throat and lungs. | |

| Ingestion Read Section 2 for any specific precautions associated with the use of this product. Products with specific warnings about ingestion will give guidance there. Skin contact Read Section 2 for any specific precautions associated with the use of this product. In general most ceramic glazes, days and special products will tend to have a drying effect on the skin and may cause some sensitivity to users with sensitive skin. Eye contact Read Section 2 for any specific precautions associated with the use of this product. In general most ceramic and special products contain materials that maybe abrasive to eyes. Keeping meterials from contacting the eyes is prudent. If contact does occur, flush with clean water, do not rub. Indication of immediate medical attention and special treatment needed Notes for the doctor Treat symptomatically. 5. Fire-fighting measures Extinguishing media Subtable extinguishing media Use protective equipment appropriate for surrounding fire. Special hazards The product is not believed to present a hazard due to its physical nature. Advice for finefighters Special protective equipment and emergency procedures Personal precautions, protective equipment and emergency procedures when disposing of product and container. Do not put materials into waterways or severs. Personal precautions For sensel protection, see Section 8. Erivironmental precautions For sensead Section 2 completely. If any environmental warnin | | |

Control parameters

| Ingredient comments | Only ingredients listed n Section 3 are notifiable for this product. If none are shown then all ingredients are exempt. |
|-------------------------------------|--|
| Exposure controls | |
| Appropriate engineering controls | No specific ventilations requirements unless the "FAN" pictogram is shown above or specified in Section 2. |
| Eye/face protection | No specific eye protection required unless the "EYE PROTECTION" pictogram is shown above or specified in Section 2. |
| Hand protection | No specific hand protection required unless the "HAND PROTECTION" pictogram is shown above or specified in Section 2. |
| Hygiene measures | Using good personal hygiene practices is always appropriate. Keeping a clean work space, cleaning up properly when done, and not eating, drinking or smoking when using this product. |
| Respiratory protection | No specific respiratory protection required unless the "RESPIRATOR" pictogram is shown above or specified in Section 2. Using the appropriate certified protection for the operation is important if required. |

9. Physical and Chemical Properties

| | and chemical properties |
|--|---------------------------|
| Appearance | Solid. |
| Color | Various colors. |
| Odor | Almost odorless. |
| Odor threshold | No information available. |
| рН | 6-8 |
| Melting point | No information available. |
| Initial boiling point and range | No information available. |
| Flash point | No information available. |
| Evaporation rate | No information available. |
| Flammability (solid, gas) | No information available. |
| Upper/lower flammability or explosive limits | No information available. |
| Vapor pressure | No information available. |
| Relative density | Greater than 1.0 |
| Solubility(ies) | Not applicable. |
| Partition coefficient | No information available. |
| Auto-ignition temperature | Not applicable. |
| Decomposition Temperature | No information available. |
| Viscosity | No information available. |
| Explosive properties | none |
| Oxidizing properties | none |

Information on basic physical and chemical properties

| Other information | Not applicable. | |
|--|---|--|
| 10. Stability and reactivity | | |
| Reactivity | There are no known reactivity hazards associated with this product. | |
| Stability | No particular stability concerns. | |
| Possibility of hazardous reactions | None known. | |
| Conditions to avoid | None known. | |
| Materials to avoid | None known. | |
| Hazardous decomposition products | None known. | |
| 11. Toxicological information | | |
| Information on toxicological eff | fects | |
| Toxicological effects | Please read Section 2 thoroughly to understand the toxicological risks, (if any) and precautions for safe use (if any). | |
| Skin corrosion/irritation | | |
| Skin sensitization | | |
| Skin sensitization | Based on available data the classification criteria are not met. | |
| | | |

Please read Section 2 completely. If any environmental warnings such as; H411 or H412 are listed in Section 2, please use appropriate procedures when disposing of product and container. Do not put materials into waterways or sewers. No data available. Not inherently biodegradable. Semi-mobile. | |

Other adverse effects

General

The product is not covered by international regulations on the transport of dangerous goods (IMDG, IATA, DoT).

UN Number

Not applicable.

UN proper shipping name

Not applicable.

Transport hazard class(es)

No transport warning sign required.

Packing group

Not applicable.

Environmental hazards

Environmentally Hazardous Substance

Please refer to Section 2 for any environmental hazards associated with this product. If H411/H412 warnings are shown then please verify packaging and labeling requirements for larger volumes.

Special precautions for user

Not applicable.

Transport in bulk according to Not applicable. Annex II of MARPOL 73/78 and the IBC Code
