

# ONLY COCO CHOCOLATES

Single-origin chocolates handmade in Rye, England

## TRADE GUIDE

# INTRODUCING | ONLY COCO CHOCOLATES

Handmade in Rye, East Sussex using only the finest single-origin cocoa & local ingredients.

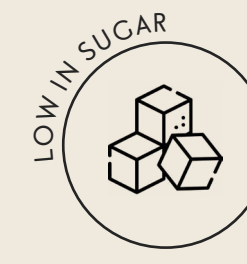

Our chocolate story all started in 2016, picking up our first machine, fondly known as Lily, from the Welsh valleys. Since then, we have worked to produce the best, handmade, small batch chocolate possible.

We're different from other chocolate makers in the UK. From day one, a core value for us has been creating only the most unique and flavourful chocolate, in the most sustainable way.

We have since grown into opening our own shops, building a busy online store and seeing our chocolate stocked at our amazing partner stores.

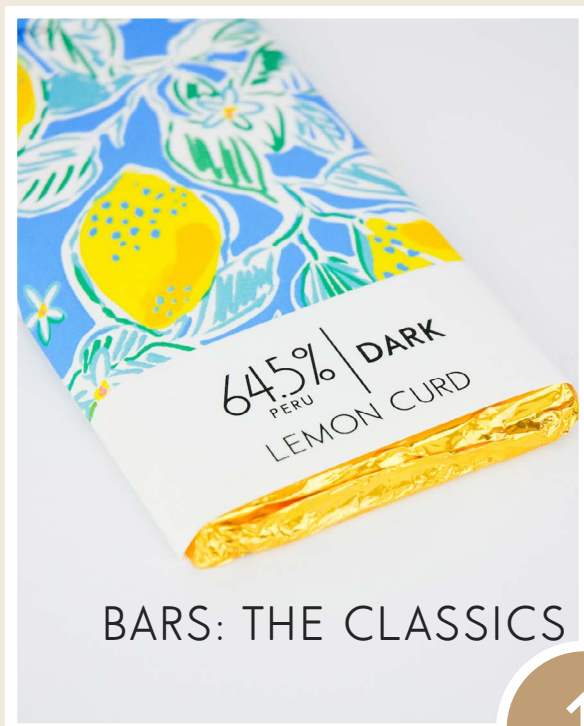

## WHO IS AN ONLY COCO CHOCOLATES CUSTOMER?

Someone who loves quality chocolate as well as design. Those who think differently. Our customers are local as well as those travelling from afar.
