Do-It-Yourself Landscaping

Do you have a small problem area? Need a face lift for your foundation plantings? You'd like an annual, perennial or herb garden!

Pandy's is pleased to offer a new service for the novice or the do-it-yourself gardener. Those clients who want to combine the look of professional design with the satisfaction & cost effectiveness of self-installation can now do it. For a design fee of \$100.00 (which will be credited toward your purchase of all agreed upon plants and materials from Pandy's. minimum \$500.00) Deposit is for a single side only such as front yard, backyard, or single side of home. We will provide you with our easy design to solve your problems.

Just fill out the bottom form and provide us with at least 2 pictures of the area showing a good panoramic view and we'll do the rest. If needed, more photos may be requested.
