

DD24DDFTX9_N

Double DishDrawer™ Dishwasher, 14 Place Settings, Sanitize (Tall)

This Fisher & Paykel Double DishDrawer™ Dishwasher allows you to wash one drawer and stack the other or wash both at once using different programs.

EZKleen Stainless Steel

Dimensions

Depth	22 9/16"
Height	34 - 36 3/8"
Width	23 9/16"

Features & Benefits

Ease of use

DishDrawer™ Dishwashers are as easy to open and close as kitchen drawers and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking allows you to make adjustments to fit in a variety of dishes.

Independent wash

With the ability to use both drawers independently and select different wash programs the DishDrawer™ Dishwasher can wash everything from fine glass and crystal to heavily soiled pots and pans.

True half load

Each drawer holds a true half load for guilt-free small washes and fast turnaround of your dishes. Both drawers operate independently so different wash cycles can operate simultaneously to accommodate a variety of loads.

Designed to match

DishDrawer™ Dishwashers are designed to match the Fisher & Paykel family of kitchen appliances, with matching handles, premium styling and quality materials for a stylish finish in your kitchen.

Quick, Sanitize and Extra Dry options

The Quick wash modifier delivers a faster wash while maintaining performance. The Sanitize option provides extra protection killing 99.9% of bacteria in the final rinse. The Extra Dry setting is perfect for plastic dishes.

Quiet performer

Running at a very low decibel rating, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.
