#### **DIVE STICK (1 PIECE)**

**382523**

Take the plunge with Zoggs' confidence-building Zoggy Dive Stick. This dive and retrieve pool game consists of 1 soft and flexible Zoggy stick which can be thrown into the water to land at the bottom of the pool as it fills with water on the way down.

#### **KICK BOARD MINI BLUE**

**304635**

Our Mini Kickboard is designed to develop competent swimmers, a great tool for improving kick technique and building strength.

- Colour: Blue
- Size: 30cm x 20cm
- Durable high density EVA foam construction
- Designed to improve kick technique and build strength
- An ideal training aid for swimmers who want to improve on their technique

#### **PULL-BUOY BLACK/ORANGE**

**311640**

- Four layered EVA for optional Buoyancy
- Isolates the upper body, improving upper body strength & stroke technique. The ergonomic construction sits comfortably between thighs to immobilise legs but also held between ankles which will make for a more challenging workout
- Best used with hand paddles to further focus on improving upper body strength and stroke technique.

#### **MATRIX HAND PADDLES MEDIUM - 310662**

- Improves stroke technique
- Ergonomically contoured
- Help build strength in arms/shoulders
- Soft TPR (Thermoplastic Rubber) allows for flexibility in the fingertips for added comfort.
- If you are considering training with hand paddles for the first time, you should always begin training with a smaller size (i.e. medium) regardless of the size of your hand until you become used to the added drag.

#### **MATRIX HAND PADDLES LARGE - 465265**

- Improves stroke technique
- Ergonomically contoured
- Help build strength in arms/shoulders
- Soft TPR (Thermoplastic Rubber) allows for flexibility in the fingertips for added comfort
- If you are considering training with hand paddles for the first time, you should always begin training with a smaller size (i.e. medium) regardless of the size of your hand until you become used to the added drag

#### **ZOGGY BACK FLOAT (2-6 YRS) LIME/ORANGE - 321221**

- Designed to create buoyancy whilst your child is actively trying to swim
- Adjustable strap goes across the chest for a secure fit
- Gives children more independence in the water
- Remove the layers as their confidence increases to reduce buoyancy
- Suitable for ages 2-6 years, max weight 25kg
- Heavy duty EVA foam
- Double action safety buckle so little ones cannot unbuckle themselves

#### **ZOGGY DIVE STICK (3 PCS) 465393**

Take the plunge with Zoggs' confidence-building Zoggy Dive Sticks. This dive and retrieve pool game consists of 3 soft and flexible Zoggy sticks which can be thrown into the water to land at the bottom of the pool as they fill with water on the way down.

#### **EVA KICK BOARD SMALL ORANGE - 311645**

- Durable EVA Training Aid
- Zoggs Kickboard is a durable kickboard designed for improved efficiency in the water with hand cut-outs for a secure hold. Designed for training to help focus on the kick technique and help reduce muscle fatigue.

#### **EVA KICK BOARD MEDIUM BLACK- 311646**

- Durable EVA Training Aid
- Zoggs Kickboard is a durable kickboard designed for improved efficiency in the water with hand cut-outs for a secure hold. Designed for training to help focus on the kick technique and help reduce muscle fatigue.

#### **ZOGGY MINI KICKBOARD 303635**

Swim with Zoggy and his friends with this Mini Kickboard. Designed for training, built to improve kick technique and perfect for children as they learn to swim and work on different techniques. Suitable for children aged 3-12 years. The kickboard can be used as part of a game as well as building skills. To make a game out of the kickboard you can place Zoggy Soakers in the water and encourage children to swim over to them and swim back with them balancing on the kickboard.

#### **ZOGGY DIVE RINGS 465391**

Stage 3 LTS - Dive & Find Zoggy & Co  
Take the plunge with our confidence-building Zoggy Dive Rings. This dive and retrieve pool game consists of 3 soft and flexible Zoggy rings which can be thrown into the water to land at the bottom of the pool as they fill with water on the way down.

#### **CENTRE LINE SNORKEL 465287**

- Focus on perfecting your stroke without the need to turn your head to breathe
- Adjustable head bracket
- Comes with a nose clip and angled Vylux mouthpiece

### INFLATABLES NRCS APPROVED

#### **FLOAT BANDS (1-3 YRS) ORANGE/GREEN - 301202**

- Stage 2 LTS - Heavy Duty Vylux - Up to 15 kg
- Our Zoggs Float Bands are a great learn to swim aid for building children's confidence in the water. They feature Easy Inflate™ valves for 50% quicker inflation and deflation

#### **FLOAT BANDS (3-6 YRS) ORANGE/GREEN - 301203**

- Stage 2 LTS - Heavy Duty Vylux - Up to 25 kg
- Our Zoggs Float Bands are a great learn to swim aid for building children's confidence in the water. They feature Easy Inflate™ valves for 50% quicker inflation and deflation

#### **ROLL-UPS (1-6 YRS) ORANGE/GREEN - 301204**

- Stage 2 LTS - Heavy Duty Vylux - Up to 25kg
- Our Zoggs Roll-Ups are perfect for building confidence in the water. The dual air chambers feature non-return safety valves which feature our Easy Inflate™ technology for quicker inflation and deflation.
- The Roll-Ups are easy to slip onto the arm and are designed to be inflated before they are put on the child.

### INFLATABLES NRCS APPROVED

#### **SWIM RING (2-3 YRS) ORANGE/GREEN - 301210**

- Stage 2 LTS - Heavy Duty Vylux - Up to 15 kg
- Our Zoggs Swim Ring is a great learn to swim aid, encouraging children to kick in the water and develop their swimming ability. The ring will sit around their chest allowing their arms to be free to paddle about. The Swim Ring is ideal for added support around the chest if children aren't quite ready to move onto armbands just yet.

#### **SWIM RING (3-6 YRS) ORANGE/GREEN - 301211**

- Stage 2 LTS - Heavy Duty Vylux - Up to 15 kg
- Our Zoggs Swim Ring is a great learn to swim aid, encouraging children to kick in the water and develop their swimming ability. The ring will sit around their chest allowing their arms to be free to paddle about. The Swim Ring is ideal for added support around the chest if children aren't quite ready to move onto armbands just yet.

#### **TRAINER SEAT (3-12 MONTHS) ORANGE/GREEN - 303212**

- Stage 1 LTS - Heavy Duty Vylux - Up to 11 kg (3-12 Mths) and 15 kg (12-18 Mths)
- Designed to have your little one sitting stable and upright so that they're free to kick their legs and arms as they get used to the feel of the water
- Easy Inflate™ valves making it quicker and easier to be both inflated and deflated
- 4 durable air chambers for added safety so they can enjoy their first moments in the water and you can breathe a bit easier
