Clean Up Procedure: Absorb spillage onto sand or earth. Transfer to a suitable container for disposal.

| |
|--------------------------------|
| 7. HANDLING AND STORAGE |
|--------------------------------|

General: This product is not hazardous.
Storage: Store in dry, cool area adequate ventilation.
Storage Life: >2 years.
Handling: Use normal good handling procedures.

| |
|---|
| 8. EXPOSURE CONTROLS / PERSONAL PROTECTION |
|---|

Personal Protection
Respiratory Protection: Not special requirements under normal conditions.
Skin Protection: Not special requirements under normal conditions.
Eye Protection: Not special requirements under normal conditions.

| |
|--|
| 9. PHYSICAL AND CHEMICAL PROPERTIES |
|--|

Appearance: Solid (cream)
Color: Off White
Odor: Characteristic
pH Value: 5.00 - 5.90
Viscosity: 40000 - 80000
Melting/Freezing Point: Not available

| |
|-------------------------------------|
| 10. STABILITY AND REACTIVITY |
|-------------------------------------|

Hazardous Decomposition Product: None under normal conditions.
Hazardous reactions: None under normal conditions.
Hazardous Properties: None under normal conditions.

| |
|--------------------------------------|
| 11. TOXICOLOGICAL INFORMATION |
|--------------------------------------|

Eyes: Not Established.
Skin Absorption: Not Established.
Oral: Not Established.
Inhalation: Not Established.
Eye Effects: May be mildly irritating to eyes.
Skin Effects: Non-Expected.

| |
|-----------------------------------|
| 12. ECOLOGICAL INFORMATION |
|-----------------------------------|

Ecological effects information: No specific risk for the environment.

Biodegradation [%]: Persistence and degradability: The total of the organic components contained in the product is not classified as "readily biodegradable" (OECD-301 A-F). However, this product is expected to be inherently biodegradable.

Bio-accumulative potential: There is no evidence to suggest bioaccumulation will occur.

Mobility: Accidental spillage may lead to penetration in the soil and groundwater. However, there is no evidence that this would cause adverse ecological effects.

13. DISPOSAL CONSIDERATIONS

General: Dispose in a safe manner in accordance with local/national regulations.

14. TRANSPORT INFORMATION

General Information: No classified.

15. REGULATORY INFORMATION

OSHA Hazardous Chemical(s): No hazardous.

16. OTHER INFORMATION

Further Information: N/A

This document has been prepared in accordance with the MSDS requirements of the OSHA Hazard Communication Standard 29 CFR 1910.1200.

DISCLAIMER OF LIABILITY The information in this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
