Face Creams

Hydrating Face Cream

Nutrient-rich, Hydrating

Benefits:

- Rejuvenating and moisturizing
- Smooth, soft, and plump
- Youthful, healthy, & hydrating

This intensely moisturizing cream provides the skin with a daily dose of vitamins, minerals, trace minerals, and amino acids that are necessary for healthy skin. In doing so, it helps reduce the appearance of lines and wrinkles and helps restore moisture for smoother, plumper skin. Since hydration and moisturizing are not the same, here is the definition: "Hydration" is the absorption of moisture from the air and then infusing your cells with water to improve your skin's ability to absorb moisture and nutrients. "Moisturizing" is about trapping and locking in the moisture to build your skin's natural protective barrier. This will prevent any water loss and ensure that your skin remains soft and smooth.

This cream is perfect for complete hydration and moisturizing which makes it an essential part of any skin regimen.

Glycolic Acid Cream

Brightening, Restoring, Youthful

Benefits:

- Visually reduces appearance of fine lines & wrinkles
- Minimizes appearance of pores & increases luminosity of skin
- Gently exfoliates & evens skin tone

Glycolic Acid is incredible at rejuvenating your skin. It works hard to reset your skin's pH if you've spent a lot of time using products that have dried your skin out or left it flaky. Glycolic Acid helps to reveal the luminous skin beneath and create a healthy environment. It makes your skin look as if you've hit the reset button on all the damage over the years. Pair this with hydrating Aloe Vera, nourishing Green Tea, and soothing Arnica, and you have a wonderful product to replenish your skin.

Stem Cell Eye Cream

Antioxidant, Nourish, Youthful

Benefits:

- Promotes cellular turnover
- Hydrates & rejuvenates eye area
- Combats multiple signs of aging

Constant strain around the eyes can start to form more intense lines, wrinkles, and inflammation. The damage to this area becomes one of the first things apparent with age. Plant stem cells have a strong antioxidant and anti-inflammatory effect, which leads to more youthful skin cells at the surface of the skin.

Stem Cells restore skin elasticity, fight against oxidative damage, and help strengthen the skin's natural protective barrier. Stem cells support the procreation of new cells, which is a powerful anti-aging tool. The combination of Plant Stem Cells, Turmeric, Rosehip Oil, Aloe Vera, and other key ingredients makes this an ideal cream for your eyes.

Brightening Cream

Lightweight, Brightens, Hydrates

Benefits:

- Evens out skin tone
- Brightens skin to a youthful glow
- Reduces appearance of sun damage

Most people want to have brighter, glowing, and radiant skin. Our Brightening formulation is about increasing radiance and restoring the vibrancy to your skin. Our formulation is designed to remove the dull cells and reveal the radiant, glowing skin underneath.

This cream is targeted at post-inflammatory hyperpigmentation, which is a fancy way of saying that it helps target age spots, brown spots, and blemishes from acne cysts and bumps. A perfect addition to all sorts of skin types.

Retinol Night Cream

Resurfacing, Restoring, Youthful

Benefits:

- Reduces fine lines
- Resurfaces & smooths skin
- Promotes radiant & youthful appearance

Retinol reduces the appearance of fine lines and wrinkles, and renews the skin's surface for radiant, younger-looking skin. It is used mainly at night because retinol and sunlight simply do not mix. It is effective and feels incredible on the skin.

This is a powerful combination of ingredients that creates something like a reboot of your skin back to its healthiest, most youthful state.

Relieving Cream

Nourishing, Restoring, Protecting

Benefits:

- Developed to hydrate dry, chapped skin
- Gentle & safe for all ages
- Promotes clearer skin

Calendula is primarily known as a healing plant because of its soothing abilities. The Calendula flower petals are noted as being incredibly powerful due to their tissue restorative properties. Calendula has also been shown to have some fantastic abilities to hydrate and relieve dry, itchy, and irritated skin.

This simple but effective lightweight formulation is a fantastic combination of Calendula, Sweet Almond Oil, and Sunflower Oil. All of which this one of the best restorative and nourishing creams in the world.

Serums

Vitamin C Serum

Antioxidant, Youthful

Benefits:

- Protects skin cells from free radicals
- Reduces premature aging & complexion concerns
- Promotes natural skin regeneration

What are the benefits of Vitamin C for skin? Simple answer, everything. Vitamin C promotes collagen production, is a powerful antioxidant, and acts as an inhibitor for melanin production, which helps lighten hyperpigmentation and brown spots. In short, Vitamin C helps to repair damage from sun exposure and collagen loss by encouraging healthy cell regeneration.

Our formula takes Vitamin C to the next level by using Kakadu Plum Extract, which has the highest recorded natural amount of Vitamin C of any food in the world. Making this formula packed with everything you could ever want in a serum.

Peptide Eye Serum

Peptide-rich, Firming, Plumping

Benefits:

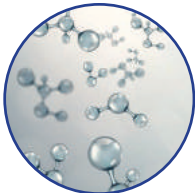

- Rejuvenates, hydrates, and brightens eye area
- Reduces dark circles and puffiness by promoting circulation
- Leaves skin vibrant & visibly smoother

Peptides are popular ingredients in facial rejuvenation and anti-wrinkle treatments. Peptides, also called polypeptides, are naturally occurring in the skin, but they're also included in many skin care products, and for good reason. Peptides are amino acids that make up certain proteins needed by the skin. More specifically, collagen is made of three polypeptide chains, so adding peptides can stimulate your skin to make collagen.

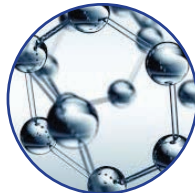

This Peptide-rich formula will give your eyes a well-rested look. Just a drop of this peptide serum helps calm the look of puffiness and will keep your eyes looking bright, diminishing the appearance of wrinkles.

Retinol Serum

Radiant, Restoring, Youthful

Benefits:

- Brightens & smooths dull skin
- Helpful for pores that easily clog
- Normalizes cell turnover through gentle exfoliation

Retinol is one of the most researched molecules in all of skincare. It's a form of Vitamin A which helps increase the production of collagen and elastin, accelerating skin cell turnover, thusly smoothing fine lines and wrinkles. Retinol is a star ingredient in many anti-aging creams and serums. In our formulation, it is the cornerstone.

Each piece of the formulation is used to build on the delivery and efficacy of Retinol to the skin. The result is an amazing product built to restore youth to the skin.

Hyaluronic Acid Serum

Retains moisture, Antioxidants

Benefits:

- Lubricates & moisturizes skin
- Reduces signs of aging
- Tones & tightens

Advanced Antioxidant Serum. Hyaluronic Acid, naturally produced in the body, helps retain moisture to keep your tissues well lubricated and moist. Just a single gram of hyaluronic acid has the impressive ability to hold up to six liters of water! Add to that, a super smart ability to regulate that moisture within the cells, so as not to drown them and you've got one genius ingredient.

Designed to target the most common signs of aging including brightness, firmness, fine lines, wrinkles, dark spots and sunspots. A silky-smooth serum that can be used day or night.

Bentonite Clay Mask

Tightening, Lifting, Cleansing

Benefits:

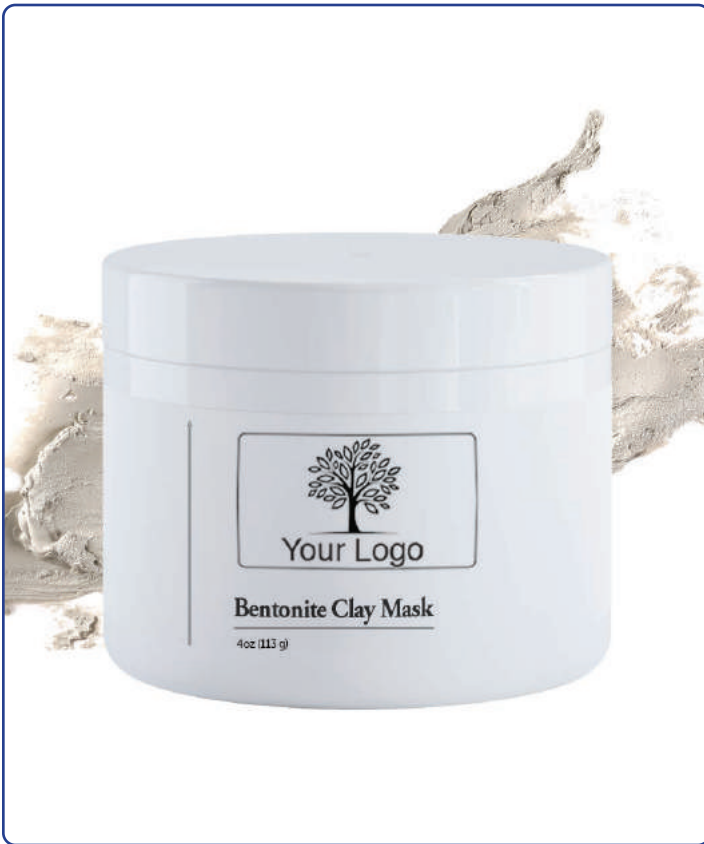

- Minimizes appearance of pores
- Absorbs oil & environmental toxins
- Reveals youthful, healthy radiance

Bentonite Clay has astringent properties, meaning it helps tighten the skin and temporarily minimizes the appearance of pores. Long-term use of bentonite clay reduces pore size by unclogging them and removing excess oil from the skin. This product is an incredible mask to add to any skin care regimen.

Using our formulation will help reduce the appearance of blemishes and dark spots, lifting away dead skin cells from your skin, revealing new and healthy skin below.

Antioxidant Toner

Firming, Hydrating, Balancing

Benefits:

- Firms & hydrates the skin
- Fights free radical damage
- Prevents signs of aging

Firming and hydrating antioxidant toner that creates an active antioxidant shield to help fight free radical damage while preventing the signs of aging. Made with the powerful Orchid Stem Cell, which helps fight the appearance of fine lines and dark spots. Several in vitro tests confirmed that cellular communication among stem cells of the Orchid Stem Cell, skin stem cells and fibroblasts, resulted in an increase in the production of collagen and elastin, as well as resulting in a brighter skin tone!

Using a combination of this, Aloe Vera, Witch Hazel, Willow Bark, and other amazing ingredients, results in a perfect toner for use as part of a morning or evening skin regimen, or even an ideal mist throughout the day.

Rosewater Toner

Cleansing, Hydrating, Fresh

Benefits:

- Cleansing & moisturizing
- Aids in removing oil & dirt
- Great antioxidant to strengthen skin

Similar to tea, Rosewater is made by steeping rose petals in water. During this process, the oils and nutrients contained within the flower release into the water, creating a powerful skin restoring elixir. When combined with other botanicals in this product, it results in a healthy and beautiful skin tone. Used for thousands of years around the world, Rosewater is prized for its many benefits.

Our natural Rosewater Mist & Facial spray isn't just a luxury for your face, but a key part to any good skin regimen. Rosewater naturally matches the pH of your skin, helping reduce redness, inflammation, and puffiness under the eyes, all the while working to gently hydrate and refresh.

Stem Cell Aloe Vera Gel

Collagen-rich, Youthful, Bright

Benefits:

- Seals moisture in the skin
- Restores skin's elasticity
- Fights oxidative damage

Our Stem Cell Aloe Vera Gel seals moisture into skin and hair while fighting the signs of aging with its unique, botanical-powered formula. Aloe Vera is a natural anti-fungal, antibacterial, and antiviral.

Stem Cells restore skin elasticity by increasing collagen production and fighting oxidative damage. They also help strengthen the skin's natural protective barrier. Stem cells support the procreation of new cells, which is a powerful anti-aging tool. This, mixed with Violet Hydrosol, makes this product perfect for a youthful boost to any skin regimen.

Charcoal Wash

Clarifying, Restoring, Cleansing

Benefits:

- Soaks up & washes away environmental pollutants
- Ideal for shiny, oily, & acne prone skin
- Purifies skin while moisturizing

Charcoal is a byproduct of burnt plant cell walls and of vegetable fibers. It doesn't grow; it's made by harvesting wood, coconut, or bamboo. Burn one of these at high temperatures in a low-oxygen environment and you get the kind of charcoal that's bagged and sold for grilling. However, when you add a steaming process, you get *activated* charcoal, which can suck up dirt and grime in a very effective matter.

Activated Charcoal has an open and porous structure. Because of this it essentially sticks itself to bacteria, pollutants, toxins, excess oil, and most other impurities one can think of. Due to this property it makes it one of the most purifying washes one can find on the market today!

Hair Care

Moisturizing Aloe Shampoo

Beautiful, Color-safe, Clarifying

Benefits:

- Rejuvenating, moisturizing, & pH balanced
- Promotes shiny & beautiful hair
- Safe for color-treated hair

Perfect to use on any hair type. Sensitive, color-treated, damaged, dry, or any other variation can still be handled with this Aloe Vera based shampoo. Cleanse and soothe normal, sensitive, even damaged scalp or hair. Use of our ultra hydrating Shampoo can help to nourish the scalp and hair using organic super-foods, vitamins, and botanical ingredients.

Our base is Aloe Vera Barbadosensis, which nourishes and soothes the skin, unlike most shampoos and conditioners which use water as their first ingredient, watering down their product, and then sulfates, which can irritate or even burn the scalp, causing hair thinning.

Massage Oil

Relaxes, Soothes, Calms

Benefits:

- Releases tension with ease
- Soothes tired muscles
- Nourishing, lightweight, non-greasy

Made using the finest natural, botanical, and essential oils including Lavender, Rosehip, Broccoli, Juniper, Grapeseed, and Sweet Almond Oil. With a few minutes and some strong hands, you'll target sore, overworked muscles, bringing about an incredible level of relaxation.

Apply generously to hydrate dry skin, soothe cracked heels, or target pressure points like your temple or jawline. Doesn't leave your skin tacky, sticky, or slippery, but does help fight dry, itchy skin. Great for those who want a more natural and organic product for massage and also for more intimate massage.

Hydrating Bio Pure Face & Body Oil

Nourish, Restore, Rejuvenate

Benefits:

- Lightweight, nutrient-rich oils
- Penetrate without feeling greasy
- Promotes healthy, glowing skin

We start with Sunflower Oil as our base, which has emollient properties that help the skin retain its moisture and promotes collagen production. Next up is Jojoba Seed Oil and Rosehip Seed Oil for their ability to reduce the appearance of scars and stretch marks. Add to that Sweet Almond Oil, rich in Vitamin A, E and Omega-3 fatty acids, in order to help stimulate the production of new skin cells and smooth fine lines.

This formulation is the perfect combination of oils, vitamins, and plant extracts which, combined together, create a light, non-greasy, easily absorbed facial oil. Rich in antioxidant properties that may help prevent cell damage and premature aging. With virtually every nourishing oil in this formulation, we are confident in you having the best skin of your life.

Cleansing Facial Oil

Nutrient-rich, Restoring, Youthful

Benefits:

- Rejuvenating & moisturizing
- Lightweight formula
- Youthful, healthy, & radiant.

The concept of cleansing with oil is a new supertrend in the West, but an old concept in Eastern skincare. Environmental toxins, dirt, and everyday grime clogs the pores and can be difficult to remove with traditional facial cleansers. Water does not dissolve this “glue”, but oil does. Thus, our cleansing facial oil.

The only oil you’ll ever need to nourish, moisturize, and rejuvenate your skin to perfection! A natural and lightweight formula that penetrates deep into your skin without leaving a greasy, sticky feeling. Diminish the appearance of stretch marks and scars, visibly reduce the signs of aging while creating a youthful glow. Non-greasy and non-comedogenic. We specifically crafted this formula to penetrate deep into the skin without clogging your pores so it also acts as a great make-up remover.

Stretched Skin Oil

Moisturizes, Soothes, Radiant

Benefits:

- Enhances texture & elasticity
- Strengthens the skin barrier
- Reduces moisture loss

While you can't change the past, you can certainly decide your future. There is no better way to avoid stretch marks than to keep your skin soft, supple, and elastic. The best way to accomplish that is using a blend of plant oils rich in essential fatty acids, vitamins, and collagen.

Evening Primrose Oil moisturizes and soothes, it can also enhance the texture and elasticity of skin, addressing dryness, irritation, roughness, and wrinkles. The key components of this blend help strengthen the skin barrier and reduce moisture loss while reducing inflammation. To increase your skin's elasticity, layer generously over areas prone to stretch marks.

Stretched Skin Cream

Fast Absorbing, Soothing

Benefits:

- Intense hydration & deep penetration
- Reduce appearance of stretch marks
- Soothes dry, itchy, & stretched skin

Stretch marks happen when the skin is pulled by rapid growth or stretching. Although the skin can be very elastic, when it is over stretched, the production of collagen is disrupted. As a result, stretch marks form. Our fast-absorbing cream is formulated to help soothe itchy pregnant bellies and penetrate deep into the skin to hydrate and reduce pregnancy stretch marks.

No more itchy, dry skin. This formula is the best way you can help defend against stretch marks.

Body Butter

Mineral-rich, Moisturizing

Benefits:

- Absorbs quickly
- Deep hydration
- Protective barrier

Body butter has a non-greasy feel to it that absorbs quickly into the skin. Body butters are applied to retain moisture, lubricate, and nourish the skin. Our formula is packed with oils and other deeply hydrating ingredients to quench skin and lock in moisture by creating a protective barrier on the dermis. It is a great addition for pregnant women to keep stretch marks from happening if used daily.

Cream-to-Powder

Anti-chafing, Soothing

Benefits:

- Luxurious lotion that dries to soft powder
- Great for chaffing or rashes
- Perfect for sensitive areas

Babies and adults alike use various powders to soothe rashes and ease friction on the skin. The problem with traditional powders is that the inhalation of dusts from spillage and day-to-day use can result in some very serious lung conditions for you and your child. There are additional risks if the powder you're using contains talc.

Our formula is specifically designed to rub on as a cream and dry as a powder, ensuring that your skin is getting treated without you having to worry about inhaling any harmful foreign particles.
