

Dear grocer,

I'm writing in hopes that you will bring my favourite frozen dessert into your store. Righteous Gelato is a Canadian owned, B Corp certified company. Their products are Certified Gluten Free, Kosher, made with natural ingredients and half the line is Dairy Free, Vegan & non-GMO project verified!

What's in it for you other than my eternal gratefulness and loyalty? The better-for-you frozen dessert category has been leading the way for the last couple of years. Their pints of allergen friendly gelato, plant free gelato, and sorbetto fit right into that category with less fat and sugar than regular ice cream. Plus their packaging is beautiful!

If you're intrigued but not yet convinced, visit their social media channels or their website to see how many people have fallen in love with their brand. If you're ready to learn more their contact information is below.
